

Our Mission - Our Goals...

Why the CBD Industry and why New Day Products, Inc.

- The CBD Industry is in the infancy stage...
- Industry Predictions are 22 Billion by 2022
- Many people are currently using CBD oils and Products now swear by them
- Scientific results are not conclusive as of yet
- At this juncture we make no specific health claims
- CBD oils seem to be everywhere...for good reason
- Use them for yourselves, sell to Friends and Family
- Very Pet Friendly....Great for Pets Too
- We have Premium Grade CBD Products....We are Top of the Line....
- Not all CBD Products are the same just like not all cars or gasoline is the same
- We don't give frequent flier miles; you get paid \$\$\$\$
- We want you to become part of our Sales Team and become an Independent Sales Rep
- Earning commissions based on sales of our products
- We want you to be in business for yourself but not by yourself
- Our goal is to promote this incredible industry and sell our tremendous products through our team Efforts
- We want you to be successful financially and in health
- The Time is NOW
- **Make the most of this moment**
